SCRATCH-B-GONE

Removes scratches from stainless steel and restores sinks and appliances to a NEW look. Approved and recommended by most sink and appliance manufacturers. Includes all materials shown and instructional CD.

HOME KIT: (enough for 20-25 applications)
PRO KIT: (for the pro)

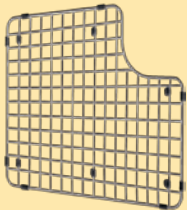

SCRATCH-B-GONE MINI KIT

A great way to see the magic this product produces. An excellent "give away" with sink purchase! Includes: 2 "ultrashine" mini packets, and 2 abrasive tools.

COPPER PATINA REPAIR KIT

An easy kit designed to touch up or change the finish patina on copper sinks. Includes all that is needed for this process.

SINK GRID SETS

Protects your sink and helps it drain. Grids are sink-specific. Please specify sink model when ordering.

UNDERMOUNT-SINK MOUNTING CLIPS (round or rectangle)

Requires no drilling. Simply clean area and mount to underside of countertop with solid surface adhesive. Results in a strong & secure mounting. Great for stainless steel and porcelain sinks undermounted on any surface.

EASY-TEMPLATE MATERIAL

Revolutionary new product. 3mil corrugated plastic that can be cut, glued, scored and bent, and/or written upon. It doesn't stretch like cardboard, and saves money over plywood!! (Only sold with solid surface sheets.)

120" x 28" Sheets

Dovaé ADHESIVES

Color matched adhesives are custom blended to color match our products and leave an inconspicuous seam. They are the highest quality adhesives available. tube contains 250ml and 2 static mixers.
